Seaquist Orchards began over 100 years ago. In 1986, Seaquist Orchards Farm Market grew out of a need to provide for our families during the lean cherry crop years. Today, we continue to take pride in our fruit and fruit products, and have become a Door County destination. The market offers fresh fruit, made from scratch bakery, gourmet fudge, jams, gifts and more.

As a seasonal business, we are open mid-May through October, but our products are available year round, through mail order and our online store. Our jams and jellies, which are made right here – make delicious gifts! You may pick your own flavors, or choose from one of our many pre-made gift crates or gift boxes. This order form includes our most popular items. Please shop at our online store for a more complete selection of the items we sell.

If you are in the area during the summer or fall, stop in, and experience Seaquist's, where family and farming mean everything.

Thank you for your interest in Seaquist Orchards Farm Market products.
