

# SEAQUIST ORCHARDS FRUIT

## AVAILABILITY AND INFORMATION

We are often asked when our cherries and apples are ripe and which varieties are best for eating/baking etc. These charts will answer all these questions! **Always remember that it is best to call ahead if you are coming for a certain variety. 920-854-4199.**

Weather is what determines ripening and we don't pick our fruit until it is perfect for you! Dates are approximate.
